

KALINGA INSTITUTE OF INDUSTRIAL TECHNOLOGY (KIIT)

Deemed to be University U/S 3 of the UGC Act, 1956

KIIT UNIVERSITY INTERNATIONAL SCHOLARSHIP PROGRAM (KUISP)

WELCOME TO KIIT

Kalinga Institute of Industrial Technology (KIIT) Deemed to be University, Bhubaneswar is among India's most sought-after universities, attracting students from all over India and more than **65 countries** to pursue professional and technical education.

With a diverse student body of 30,000, KIIT is on its way to becoming an international hub for quality professional and technical education. **The Govt. of India has recognised KIIT Deemed to be University as an 'Institution of Eminence' (IoE).** KIIT has joined the select league of 10 public and 10 private universities which would be developed as world-class institutions under the Institution of Eminence (IoE) scheme of the Govt. of India. **It is the first Indian university to get internationalisation Strategies Advisory Service (ISAS) Badge from the International Association of Universities (IAU) which marks the achievement of milestones along the journey of internationalization.**

KIIT comprises **22 constituent Schools** imparting cutting-edge skill and knowledge to over **30,000 students** pursuing globally recognised bachelor's, master's and doctoral degree programmes in **115 plus disciplines**, spanning engineering, medicine, management, biotechnology, law and more.

Prof. Achyuta Samanta's Message Founder, KIIT & KISS

Dear Students,

KIIT takes pride in being one of the most student-friendly campuses in the country. Commitment to academic and research excellence, innovation, entrepreneurial spirit, vibrancy, and extensive social outreach makes it among the most valued institutions in the country and beyond. We believe in the Philosophy of "Vasudev Kutumbaka" which is a Sanskrit phrase, meaning 'the world is one family' and hence welcome students from all parts of the world to pursue their higher education in KIIT.

KIIT looks forward to have you on board for creating a more empowered world. My best wishes to you!

KIIT UNIVERSITY INTERNATIONAL SCHOLARSHIP PROGRAM

Kalinga Institute of Industrial Technology vision is to create an advanced centre of professional learning of international standing where pursuit of knowledge and excellence shall reign supreme, unfettered by the barriers of nationality, language and cultural plurality.

To achieve this vision, KIIT welcomes students, scholars and faculties from diverse cultures to put together lasting partnerships based on a mixed cohort of global insights, which eventually boils down to individuals who get together to make the right teams. Therefore, fostering collaborative research and development in higher education is a large part of our university's aim as they have become imperative in creating impact for academia as well as industry

Benefits of KUISP Scholarships :

- Applicants qualifying for the KUISP Half Scholarship program would be paying 50% of the total fee for international students which would cover their health insurance, books, A.C accommodation, multi cuisine mess facility, 24/7 library and internet access . Scholarship would also cover laptop, registration and examination fees as well.**
- Applicants should bear the traveling expenses to Bhubaneswar, Odisha, India and their personal expenses during the duration of study.**

Undergraduate Programs

- **Bachelor of Technology (B.Tech) (4 years)**
 - Aerospace Engineering
 - Civil Engineering
 - Computer Science & Engineering
 - Computer Science & Communication Engineering
 - Computer Science & Systems Engineering
 - Communication Engineering
 - Electrical Engineering
 - Electronics and Computer Science Engineering
 - Electronics and Computer Science Engineering
 - Electronics & Electrical Engineering
 - Electronics and Instrumentation
 - Information Technology
 - Mechanical Engineering
 - Mechanical Engineering (Automobile)
 - Mechatronics Engineering
 - Production Engineering
- **Bachelor in Film and Television Production(3 years)**
- **Bachelor of Design(Fashion/Textile)(4 years)**
- **Bachelor of Business Administration(3 Years)**
- **Bachelor of Computer Application (3 Years)**
- **Bachelor of Science (Computer Science) (3 years)**
- **Bachelor of Arts (Hons.)**
 - Economics
 - Sociology
 - English
- **Bachelor of Commerce**

Postgraduate Programs

Master of Technology (M.Tech) (2 years)

M.Tech Electrical Engineering

- Specialization in Power
- Electronics & Drives
- Power Energy & System
- Power System Engineering

M.Tech Electronics & Tele-Communication

- Specialization in Communication Engineering
- VLSI Design & Embedded System
- RF & Microwave

M.Tech Civil Engineering

- Specialization in Construction Engineering & Management
- Structural Engineering
- Geotechnical Engineering

M.Tech Mechanical Engineering

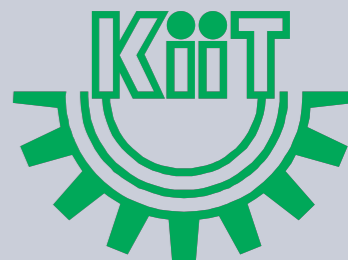

- Specialization in Manufacturing Process & Systems
- Thermal Engineering
- Machine Design

M.Tech Computer Science & Engineering

- Specialization in Computer Science & Engineering
- Computer Science & Information Security
- Data Analytics
- Software

- Master of computer Application (2 years)
- Master in Science (Computer Science)
- Master in Business Application (Rural Management)
- Master in Business Application (Agribusiness Management)
- LLM (1 year)
- Master of Public Health (2Years)
- Master of Hospital Administration (2 Years)
- M.A. (Yoga Therapy) (2 years)
- Master of Arts (Economics/ Sociology/English (Hons.)

- PH.D (All Streams)
